## **Chamberlain Hrdlicka named Top 10 in Houston Business Journal's 2022 Best Places to Work**

### **Houston Business Journal's 2022 Best Places to Work includes Chamberlain Hrdlicka in Top 10**

November 1, 2022

The Houston Business Journal (HBJ) included Chamberlain Hrdlicka in the 2022 Best Places to Work for the second year in a row; and this year the firm ranked in the Top 10 in the large companies category.

HBJ celebrated all recipients during an awards luncheon at the Marriott Marquis on October 28, 2022. Earlier this year, the Houston Business Journal also named Chamberlain Hrdlicka among its 2022 Middle Market 50 in recognition of the firm's growth.

"The inclusion of our firm in the top 10 on the Houston Business Journal's Best Places to Work list again demonstrates our continuing commitment to create a great work environment for our entire team," said Larry Campagna, managing shareholder for Chamberlain Hrdlicka. "We attribute our ability to attract and retain exceptional talent to our culture of excellence and collaboration that provides our attorneys and staff the opportunity to grow and thrive professionally."

Chamberlain Hrdlicka prioritizes collaboration, health, well-being, and quality of life for the firm's employees through numerous initiatives, including the Chamberlain Care Trust Fund for employees experiencing financial setbacks; a wellness program that incentivizes employees to take care of their health; encouraging pro-bono work; a comprehensive benefits package; and an active social calendar including regular community service projects and plentiful celebrations such as monthly birthday events, annual work milestones, holiday and family events.

HBJ's Best Places to Work List is based on employee surveys by Quantum Workplace. All employees at nominated companies were given the opportunity to take a confidential survey online, evaluating their companies in areas such as goals and leadership, communication and support, advancement opportunity and skill development, recognition and compensation, tolerance and flexibility, and embracing innovation and ideas.
