Tax attorney Larry A. Campagna tops roster of eight Chamberlain Hrdlicka attorneys ranked by Chambers & Partners in its annual guide to country's top lawyers and firms

HOUSTON (June 2014) – The law firm of Chamberlain, Hrdlicka, White, Williams & Aughtry is pleased to announce that attorney Larry A. Campagna of the firm's Houston office has been recognized by the leading legal ranking publication, Chambers USA as one of the top tax fraud attorneys in the United States. Campagna is one of eight attorneys from the firm's Houston, Philadelphia and Atlanta offices to be listed by Chambers & Partners in the 2014 edition of its annual Chambers USA guide to the world's best legal professionals and law firms. For the seventh year in a row, Chamberlain Hrdlicka is also nationally ranked as one of the top tax controversy law firms in the United States.

Published by Chambers & Partners, a worldwide legal ranking guide, Chambers USA compiles an annual list of the top attorneys in the United States according to practice area. Designed as a comprehensive guide for clients, the publication identifies and ranks leading law firms and attorneys based on thousands of interviews conducted by researchers with clients and lawyers worldwide.

Six Chamberlain Hrdlicka attorneys were ranked as tops in the field of tax controversy, demonstrating once again the deep expertise the firm has in complex civil and criminal tax matters. For the third year in a row, Atlanta shareholder David Aughtry was named a "Star individual," Chambers' top honor.

"We're very proud to see Larry Campagna recognized once again as one of America's most elite attorneys in tax fraud," said Managing Shareholder Wayne A. Risoli. "That our firm can boast eight highly ranked attorneys says more than I ever could about the standard we set at Chamberlain Hrdlicka."

"I'm deeply honored to have been recognized in the top tier nationwide," said Campagna. "We are not a 'mega firm,' but we still compete at the highest level while giving our clients the personal attention they deserve."

Clients interviewed for the Chambers rankings praised the firm's professionalism and responsiveness, as well as its deep knowledge of tax law, including one respondent who said, "They have top-flight substantive skills in the tax controversy space and can handle even the most complex tax dispute."
