Bloomberg Law

January 31, 2019

In an article published on Jan. 31, 2019 in Bloomberg Law, senior counsel Jennifer Weidler Karpchuk discusses Philadelphia's decision to apply principles of the *Wayfair* decision to business income generated in the city. Karpchuk says, "As far as I am aware, Philadelphia is the first city to take action in regard to its income tax. It definitely does rope in people that it didn't before. Some businesses may have to take a closer look at sales in Philadelphia." The changes became effective as of Jan. 1, 2019. Subscribers to Bloomberg Law may access the article [here](#).
