### Chamberlain Hrdlicka Sponsors the NYU Tax Controversy Forum in New York City in June 2019

The NYU School of Professional Studies is pleased to present the 11th Annual Tax Controversy Forum. The Tax Controversy Forum brings together representatives from the government and expert private practitioners to compare perspectives on a variety of topics involving tax audits, appeals, and litigation. The Forum covers a wide range of topics across the tax compliance and enforcement spectrum, from policy updates, to procedural seminars, substantive programs, international issues, ethical problems, current enforcement initiatives, sensitive audits, and civil and criminal tax penalties. Tax compliance and enforcement are essential elements of our federal tax system. The Tax Controversy Forum is an opportunity to stay current on new developments, exchange ideas, and share practice tips that can contribute to a better functioning system.
