Chamberlain Hrdlicka Earns Recertification in Meritas, the Leading Global Alliance of Independent Business Law Firms

Chamberlain Hrdlicka Earns Recertification in Meritas

August 17, 2020

Chamberlain Hrdlicka, a Houston-based national law firm, today announced that it has been awarded recertification in Meritas, a global alliance of independent business law firms.

Chamberlain Hrdlicka joined Meritas in 1998 and, as a condition of its membership, is required to successfully complete recertification every three years. The recertification process included exacting self-assessment, peer review by other law firms and client feedback.

Meritas is the only law firm alliance with an established and comprehensive means of monitoring the quality of its member firms, a process that saves clients' time validating law firm credentials and experience. Meritas membership is selective and by invitation only. Firms are regularly assessed and recertified for the breadth of their practice expertise, client satisfaction and high standards of cybersecurity to keep legal information safe. Meritas' extensive due diligence process ensures that only firms meeting the tenets of Meritas' unique Quality Assurance Program are allowed to maintain membership. The measurement of the firm's performance, based on input from clients, is reflected in a Satisfaction Index score, which is available online on the Meritas website.

"With its network of expert attorneys in jurisdictions around the world, Meritas allows us to deliver the highest quality of service, efficiently solve issues, and seize opportunities for clients with legal needs in multiple markets," said Larry Campagna, managing shareholder at Chamberlain Hrdlicka. "We look forward to keeping those vital connections through membership in Meritas."

"Businesses trust the Meritas alliance of law firms for top-tier quality, convenience, consistency and value," said Sona Pancholy, president of Meritas. "Chamberlain Hrdlicka has demonstrated its commitment to world-class legal standards, and therefore has successfully earned its recertification in Meritas."
