## Chamberlain Hrdlicka among the top 150 small and midsize law firms in the U.S. by Vault for 2021

Vault's list of top 150 law firms with less than 150 attorneys is determined by survey data, trade journals, news stories, published rankings, interviews, quality of life and professional growth opportunities.

September 28, 2020

National law firm Chamberlain Hrdlicka has been included again by Vault among its *Top 150 under 150* list for 2021, created to recognize outstanding small and midsize law firms that deliver big results for clients and provide greater opportunities for up and coming lawyers to obtain early responsibility, a better quality of life, and advancement to partnership.

Editors at Vault assessed each firm for prestige, quality of life, and professional growth opportunities to formulate a list of 150 law firms across the country known for providing great service and supporting associate development. It is a list to recognize leading law firms with fewer attorneys, but no less expertise, than global mega-firms that often take the spotlight.

"As our firm continues to grow, it is our priority to create a work environment where our rising star attorneys can thrive and be successful," said Larry Campagna, managing shareholder at Chamberlain Hrdlicka. "The continued inclusion on Vault's 150 under 150 list is testament to our firm's legacy of attracting and developing high-quality attorneys, who provide outstanding service to our clients."
