“Associate Hiring Has Revved Up After Last Year’s Freeze”

David Aughtry quoted in article on “Associate Hiring Has Revved Up After Last Year’s Freeze”

The Daily Report

March 12, 2021

In an article published in the Daily Report on March 12, 2021, Chamberlain Atlanta-based shareholder David Aughtry discusses law firm growth in Atlanta.

The article shares that Chamberlain Hrdlicka has already hired three associates for its 51-lawyer Atlanta office since January. “Most of the demand is in its tax controversy and international tax practices, as well as employment law, specifically its wage and hour practice,” explains Aughtry. “Both the tax and employment law practices stayed busy last year, so Chamberlain, unlike many firms, actually hired 13 associates in Atlanta in 2020—handling initial interviews remotely with a final in-person meeting.”
