Houston Business Journal's 2022 Middle Market 50 Awards includes Chamberlain Hrdlicka

June 10, 2022

Reflecting our firm's continued growth, Chamberlain Hrdlicka moved up 7 spots on the 2022 Middle Market 50 list, published by the Houston Business Journal.

In the past two years, Chamberlain Hrdlicka has experienced revenue growth of about 19% percent, expanding our services by adding Bankruptcy, Restructuring, & Creditor Rights, Data Security & Privacy, Technology & IP Transactions, and Paycheck Protection Program (PPP) Audits & Investigations practices and significantly grew our team of attorneys. Just since January 2022, we have added 12 new attorneys in Houston.

Marking the third time the Houston Business Journal honored the fastest-growing for-profit public and private midmarket companies based in Houston, eligible companies must have been in business for at least five years, earned between \$28 million and \$1 billion in revenue for their most recent, completed fiscal year and be headquartered within the Houston metropolitan area, including Austin, Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery, San Jacinto and Waller counties. Finalists were selected based on percentage revenue growth.
