Scott Augustine is an innovative and trusted advisor to, and advocate for, businesses across the country. He serves as general outside counsel to a wide spectrum of industries including: manufacturers, contractors, industrial service providers, physicians and physician groups, commercial real estate (owners, builders and developers), consumer finance, automobile dealerships, waste disposal, family offices, franchises, health care, licensing and distribution, logistics, medical device manufacturers, chemicals, pharmaceuticals, technology, commercial insurance, merchant services, retail services, telecommunications, and professional and environmental consulting.

Working with entrepreneurs and owners, CEOs, general counsel, and other C-suite and lead executives, Mr. Augustine's practice is focused on the intersection of law and business.
