David is a shareholder in the firm's Business Group. Known for helping his clients find practical and timely solutions, David is a leading corporate transactional attorney. His clients include both private and public middle-market companies. David represents buyers and sellers of stock and business assets and borrowers and lenders in commercial finance transactions. Based in Houston, Texas, David has significant experience in the energy, real estate, manufacturing and financial services industries.

David regularly advises management teams, in-house general counsel, boards of directors and investors in the development and execution of their corporate strategies. He also frequently speaks to professional groups about structuring or negotiating a business sale or acquisition.

David's goal is to approach each client relationship with a view to maintaining trust and promoting project efficiency. He understands that lasting relationships are built one phone call at a time. David is married to his wife, Lindsey, and they have three sons, Jacob, Daniel and Benjamin.
