November 17, 2015

Lansing, Mich. – Foster Swift has added five videos to its Legal Basics video series. Entrepreneurs and business owners have many legal questions that often arise after business hours, so Foster Swift attorneys have collaborated to develop a library of short videos to provide basic legal information on some of the more frequently asked questions. Based on client requests, the newly released videos cover:

- **Copyright Basics: 3 Tips for Small Businesses Regarding Copyright**
- **Intellectual Property: Copyrights**
- **Michigan Sales Tax Update: Retailers Take Notice**
- **Selecting Professional Advisors For Your Small Business**
- **What is a Trademark?**

The videos range from about 3 1/2 minutes to 7 minutes and give a general overview of each topic, including real-life examples, as well as some of the common errors business owners make. They provide general information and are not legal advice. The video series is intended to help business owners proactively identify legal needs and select experienced legal counsel.
