What happens next? What if the ballot measure passes? And what can the township say about the ballot measure without violating the Campaign Finance Act? Explore this new legal territory and these difficult (but important!) questions.

**Technology and Social Media Pitfalls for Townships – April 28: 2:45 - 4:00 pm**

**Speaker: Anne M. Seurync**

Public bodies and public officials are using social media to advertise and promote township events. The Open Meetings Act (OMA) and the Freedom of Information Act (FOIA) were adopted in the 1970s and did not contemplate new technology and social media. Learn potential pitfalls townships face when using social media, including using private accounts for “public” purposes and addressing comments on social media. **Speaker: Jack L. Van Coevering**

After years of continuing legislation, personal property tax still exists in Michigan in many new and often complex forms.
