

Civil Lawsuits In The Wake Of COVID-19

FOR IMMEDIATE RELEASE

Michigan Business Network

September 3, 2020

Foster Swift litigation attorneys Ray Littleton and Sydney Steele appeared on the Michigan Business Network podcast to discuss potential lawsuit scenarios that they predict happening for businesses in the wake of the COVID-19 pandemic.

Listen to the full interview [here](#).

This interview also comes on the heels of the beginning of an article series written by Littleton and Steele about what businesses can do to prepare should the day come that they are faced with a lawsuit. The first article on what to do if you are served with a Summons and Complaint is available [here](#).
